**DEPARTMENT OF CONSUMER & INDUSTRY SERVICES
BUREAU OF HEALTH SYSTEMS
NURSING HOME SURVEY REPORT
APRIL 30, 2004**

Introduction

Section 316 of Public Act 167 of 2003, requires that the Department report to the appropriations subcommittees and fiscal agencies information on the following: surveys conducted, surveys requiring follow-up, the number of referrals to the Michigan Public Health Institute for remediation, the number of citations per home, night and weekend complaints filed, night and weekend responses to complaints, and the average length of time for the department to respond to a complaint.

Section 20155(14) of Public Act 368 of 1978, as amended, requires that the department also report this information to the standing committees having jurisdiction over issues involving senior citizens and fiscal agencies.

The information provided is based on data for the period October 1, 2003 through March 31, 2004.

a.	The number of standard surveys conducted	231
	The number of complaint surveys conducted	525

|----|--|----|
| e. | The number of night and weekend complaints filed
(The number of complaints received after business hours
or on weekends.) | 16 |
| f. | The number of night and weekend responses (initial on-site
investigation contact after business hours or on weekends)
to complaints conducted by the Department. | 21 |

Note: The nature of a complaint determines whether an off-hours investigation is required. All complaints received off hours do not require a weekend or evening response. A complaint alleging lack of activities for residents can be investigated through review of records and interview of residents during normal business hours.

The number of off-hours (night and weekend) standard surveys	22
--	----

Note: The percentage of off-hours standard surveys (9.5%) does not currently meet the Centers for Medicare & Medicaid Services' requirement of 10% off-hours surveys in a fiscal year. It is anticipated off-hours standard surveys scheduled in the next reporting period will exceed the 10% requirement.

|----|---|-----------|
| g. | The average length of time (in days) for the department to
respond to a complaint filed against a nursing home | |
| | 1. Acknowledgment of receipt of complaint | 1.0 days |

The number of citations either deleted or amended in this period (29), represent 1.8% of the 1,594 citations issued. Approximately 98.2% of the citations issued in this period were either not appealed or were supported in full.
